Opening Symposium and Celebration

Please join us on September 8-9, 2014 for a symposium celebrating the opening of the new state-of-the-art buildings of the Spinal Cord Injury Centre of Western Denmark (VCR), Viborg Regional Hospital.

The centre is situated in beautiful surroundings by the Viborg Southern Lake and includes 35 single-bed rooms, hot water pool, modernized training facilities etc. spread over 6.600 m².

The centre is created in an open modern architectural design in order to facilitate and strengthen interdisciplinary spinal cord injury rehabilitation and research.

Venue
Spinal Cord Injury Centre of Western Denmark
Søndersøparken 11-13
8800 Viborg
Denmark
