Indtast serienummeret som findes bag på CPAPen.

Klik på Check Unit (– hvis man ved en fejl har tastet nummeret på fugteren, angives det, at det ikke er et berørt produkt) og tast herefter *Register* 

Herefter kommer man automatisk ind på en anden hjemmeside, hvor *navn*, *adresse og email* skal indtastes.

Telefonnummer ændres til +45 og indtastes

Ved spørgsmålet om hvordan maskinen er steriliseret vælges "Don't Know"

NOTE: Please verify that you are entering the serial number from your CPAP, directly and not any attached humidifier (the water reservoir/tank).	BiLevel PAP or Ventilator Device
Further assistance to locate your serial number can be found <b>here</b> If you own more than one device, you will need to complete the registration (	process for each separately.
